

NUSCÜP™

Nuscüp is the new measure of all ingredients

An innovative sliding ring seal makes it possible to measure both solid and liquid ingredients - in millilitres, tablespoons, cups, ounces, portions, units, etc., and it is infinitely adjustable, from a pinch to half a cup. The subtle nuances of your cooking will soon be enjoyed by all. Just scoop up the exact amount of your ingredient - liquid or solid.

Comes in 3 sizes:

NUSCÜP™

2 tablespoons to 1/2 cup

**NUSCÜP™
mini**

1/8 teaspoon to 2 tablespoons

**NUSCÜP™
micro**

designed for spices and fragrances
